

Reduction Connectors Gas Block

DESCRIPTION

A high-performance DI reduction connectors with gas block dedicated to direct install systems for FTTx networks (micro duct systems). Easy-to-use product, providing quick and efficient sealing between micro ducts with different outside diameter and thereby long-term protection of the installation. Used between indoor and outdoor environments preventing airflow and by time the emergence of condensed water.

Product number	Product name	Reduction Size Duct 1	Reduction Size Duct 2
	DI Reduction Connectors Gas Block	7/3.5mm	5/3.5mm
