

Armoured SC/APC-SC/APC

Fibreoptic simplex patch cords, singlemode G657A1 with pre-terminated connectors. To be used for patching between active equipment and cross connection between network connectivity equipment in optical networks. All products are of the highest quality with full traceability and tested according to all relevant industry standards.

The Armoured cable features a flexible stainless steel tube providing high protection in harsh environments. Having higher crush resistance and rodent resistance compared to standard patch cords.
