

Fiber Optic Closure Coyote SFMS

The Fiber Optic Closures COYOTE® DOME SFMS are built-to-last closures protecting fiber optic splices from water ingress, even when permanently immersed in water (IP68). The closures have a unique grommets system for easy installation and incorporate the SFMS stacking system to make the fiber management flexible and tidy.

Product number	Product name
5060083	Coyote ONE 96F closure/dark fiber
5060084	Coyote ONE 144F closure
5060085	Coyote 6.5×17 288F dome/dark fiber
5060086	Coyote 6.5×17 384F dome
5060087	Coyote 6.5×22 480F dome/dark fiber
5060088	Coyote 6.5×22 576F dome
5060089	Coyote 9.5×19 768F dome/dark fiber
5060115	Coyote ONE wall mounting kit
5060120	Coyote 6.5/9.5 assembly fix.
