

Product name	Drop cable storage bracket
Product code	84010634
GTIN	7332811339400
ETIM-Class	EC002609

PRODUCT SPECIFICATIONS

The drop cable storage bracket stores slack fiber optic cables with a minimum storage diameter 203 mm. This includes most round drop cables having nominal diameters of up to 10 mm and flat drop cables. The FDC8 inner wall is designed to assure that the cable loop diameter is properly installed to avoid fiber attenuation and damage to cable elements. Used in chambers or wall service entrance, no hardware included.
