

End Caps

Quickest way to ensure that exposed duct ends are temporary protected safely against water, moisture, dust and other external influences. With no tools required, the sleeve is fitted to the end of the duct. Cover a wide range of duct sizes up to 50 mm outside diameter.

Product number	Product name	For Duct Size
5044181	End cap 5mm black, 100pcs/bag flexible 4,4×12,7mm M5	5mm
