

Product name	Optic PEN Cleaner 2.5mm short
Product code	1663278
GTIN	7332811326387
ETIM-Class	EC002609

PRODUCT SPECIFICATIONS

Optic PEN Cleaner is a pen type cleaner, which allows the cleaning of the end-faces of fibre connectors and adapter ferrules. The pen cleaner features a special microfiber tissue that removes all contaminations. Its antistatic property prevents static load that could bring new contamination after the cleaning.

For 2.5 mm adaptors and connectors (SC/FC/ST/E2000).

One single unit can easily accomplish >800 cleanings.
