

Product name	Turboslitter Cordless
Product code	1663280
GTIN	7332811226779
ETIM-Class	EC000160

PRODUCT SPECIFICATIONS

The TurboSlitter™ can easily split HDPE pipe with wall thicknesses ranging from 2.46 to 5.40 mm. The cordless drill attachment quickly adjusts to fit almost any rechargeable drill, 14-volt and larger. Saves time and effort compared to more conventional methods. Delivered in a practical plastic bag.
